Outpatient Physical and Occupational Therapy
Fee-For-Service Billing Manual

Physical and Occupational Therapy Outpatient – Fee-For-Service

Provider Qualifications

Providers must be enrolled as a Colorado Medical Assistance Program provider in order to:

- Treat a Colorado Medical Assistance Program member
- Submit claims for payment to the Colorado Medical Assistance Program

Licensed physical therapists (PT) and registered occupational therapists (OT) who meet the qualifications prescribed by federal regulations for participation at 42 CFR 484.4 and who meet all the requirements under state law are eligible to become Colorado Medical Assistance providers.

Physical therapists must be licensed by the Colorado Department of Regulatory Agencies (DORA) pursuant to Title 12 Article 41.106 and may supervise up to four individuals at one time who are not physical therapists, including certified nurse aides, to assist in the therapist's clinical practice (§12-41-113(1) C.R.S.).

Physical therapist assistants (PTA) must be certified by DORA pursuant to Title 12 Article 41.204 and must work under the supervision of a licensed physical therapist as defined in the Colorado Physical Therapy Practice Act (§12-41-203(2) C.R.S.) and accompanying rules as promulgated by the State Board of Physical Therapy.

Occupational therapists must be registered by DORA pursuant to Title 12 Article 40.5.

Occupational therapy assistants (OTA) must practice under the general supervision of a Colorado registered occupational therapist.

All physical and occupational therapists must submit a completed provider enrollment packet to become a Colorado Medical Assistance Program eligible provider. Providers will find enrollment information in the Provider Services Enrollment section of the Department's website (colorado.gov/hcpf). Enrollment documents may be downloaded and mailed to:

Xerox State Healthcare
Colorado Medical Assistance Program Provider Enrollment
PO Box 1100
Denver, CO 80201-1100

As of July 1, 2002, physical and occupational therapists not employed by an agency, clinic, hospital, or physician may bill the Colorado Medical Assistance Program directly. Providers should refer to the Code of Colorado Regulations, Qualified Non-Physician Practitioners Eligible to Provide Physician's Services (10 CCR 2505-10, Section 8.200.2.C), for further regulatory information when providing physical and occupational therapy.

Billing Information

National Provider Identifier (NPI)

The Health Insurance Portability and Accountability Act (HIPAA) requires that covered entities (i.e., health plans, health care clearinghouses, and those health care providers who transmit any health information electronically in connection with a transaction for which the Secretary of Health and Human Services has adopted a standard) use NPIs in standard transactions.

The Department of Health Care Policy and Financing (the Department) periodically modifies billing information. Therefore, the information in this manual is subject to change, and the manual is updated as new billing information is implemented.

Paper Claims

Electronic claims format shall be required unless hard copy claims submittals are specifically authorized by the Department. Requests may be sent to the Department's fiscal agent, Xerox State Healthcare, P.O. Box 90, Denver, CO 80201-0090. The following claims can be submitted on paper and processed for payment:

- Claims from providers who consistently submit 5 claims or fewer per month (requires approval)
- Claims that, by policy, require attachments
- Reconsideration claims

Paper claims do not require an NPI, but do require the Colorado Medical Assistance Program provider number. Electronically mandated claims submitted on paper are processed, denied, and marked with the message "Electronic Filing Required".

Electronic Claims

Instructions for completing and submitting electronic claims are available through the following:

- X12N Technical Report 3 (TR3) for the 837P, 837I, or 837D (wpc-edi.com/)
- Companion Guides for the 837P, 837I, or 837D in the Provider Services Specifications section of the Department's Web site.
- Web Portal User Guide (via within the Web Portal)

The Colorado Medical Assistance Program collects electronic claim information interactively through the Colorado Medical Assistance Program Secure Web Portal (Web Portal) or via batch submission through a host system.

Interactive Claim Submission and Processing

Interactive claim submission through the Web Portal is a real-time exchange of information between the submitter and the Colorado Medicaid Management Information System (MMIS). Colorado Medical Assistance Program providers may create and transmit HIPAA compliant 837P (Professional), 837I (Institutional), and 837D (Dental) claims electronically one at a time. These claims are transmitted through the Colorado Medical Assistance Program OnLine Transaction Processor (OLTP).

The OLTP reviews the claim information for compliance with Colorado Medical Assistance Program billing policy and returns a response to the submitter's personal computer about that single transaction. If the claim is rejected, the OLTP sends a rejection response that identifies the rejection reason.

If the claim is accepted, the submitter receives an acceptance message and the OLTP passes accepted claim information to the Colorado MMIS for final adjudication and reporting on the Colorado Medical Assistance Program Provider Claim Report (PCR).

The Web Portal contains online training, user guides and help that describe claim completion requirements, a mechanism that allows the user to create and maintain a data base of frequently used information, edits that verify the format and validity of the entered information, and edits that assure that required fields are completed.

Because a claim submitter connects to the Web Portal through the Internet, there is no delay for "dialing up" when submitting claims. The Web Portal provides immediate feedback directly to the submitter. All claims are processed to provide a weekly Health Care Claim Payment/Advice (Accredited Standards Committee [ASC] X12N 835) transaction and/or a PCR containing information related to submitted claims. The Web Portal provides access to the following reports through the File and Report Service (FRS):

- Accept/Reject Report
- Provider Claim Report
- Health Care Claim Payment/Advice (ASC X12N 835)
- Managed Care Reports such as Primary Care Physician Rosters
- Prior Authorization Letters

Users may also inquire about information generated from claims submitted via paper and through electronic data submission methods other than the Web Portal. Other inquiry options include:

- Eligibility Inquiry (interactive and batch)
- Claim Status Inquiry
- PAR Status Inquiry

Claims may be adjusted, edited and resubmitted, and voided in real time through the Web Portal. Access the Web Portal at colorado.gov/hcpf → For Our Providers → Provider Services → Web Portal. For help with claim submission via the Web Portal, please choose the *User Guide* option available for each Web Portal transaction. For additional electronic billing information, please refer to the appropriate Companion Guide located in the Provider Services Specifications section.

Batch Electronic Claim Submission

Batch billing refers to the electronic creation and transmission of several claims in a group. Batch billing systems usually extract information from an automated accounting or patient billing system to create a group of claim transactions. Claims may be transmitted from the provider's office or sent through a billing vendor or clearinghouse.

All batch claim submission software must be tested and approved by the Department's fiscal agent.

Any entity sending electronic transactions through the fiscal agent's Electronic Data Interchange (EDI) Gateway for processing where reports and responses will be delivered must complete an EDI enrollment package. This provides EDI Gateway the information necessary to assign a Logon Name, Logon ID, and Trading Partner ID, which are required to submit electronic transactions, including claims.

An enrollment package may be obtained by contacting the Department's fiscal agent or by downloading it from the Provider Services EDI Support section.

The X12N 837 Professional (837P), Institutional (837I), or Dental (837D) transaction data will be submitted to the EDI Gateway, which validates submission of American National Standards Institute (ANSI) X12N format(s).

The TA1 Interchange Acknowledgement reports the syntactical analysis of the interchange header and trailer. If the data is corrupt or the trading partner relationship does not exist within the MMIS, the interchange will reject and a TA1 along with the data will be forwarded to the State Healthcare Clearinghouse (SHCH) Technical Support for review and follow-up with the sender. An X12N 999 Functional Acknowledgement is generated when a file that has passed the header and trailer check passes through the SHCH.

If the file contains syntactical error(s), the segment(s) and element(s) where the error(s) occurred will be reported. After validation, the SHCH will then return the X12N 835 Remittance Advice containing information related to payees, payers, dollar amount, and payments. These X12N transactions will be returned to the Web Portal's FRS for retrieval by the trading partner, following the standard claims processing cycle.

Testing and Vendor Certification

Completion of the testing process must occur prior to submission of electronic batch claims to EDI Gateway. Assistance from EDI Gateway business analysts' is available throughout this process. Each test transmission is inspected thoroughly to ensure no formatting errors are present. Testing is conducted to verify the integrity of the format, not the integrity of the data; however, in order to simulate a production environment, EDI Gateway requests that submitters send real transmission data.

The number of required test transmissions depends on the number of format errors on a transmission and the relative severity of these errors. Additional testing may be required in the future to verify any changes made to the MMIS have not affected provider submissions. Also, changes to the ANSI formats may require additional testing.

In order to expedite testing, EDI Gateway requires submitters to submit all X12N test transactions to EDIFECS prior to submitting them to EDI Gateway. The EDIFECS service is free to providers to certify X12N readiness. EDIFECS offers submission and rapid result turnaround 24 hours a day, 7 days a week. For more information, go to edifecs.com.

Procedure/HCPCS Code Overview

The codes used for submitting claims for services provided to Colorado Medical Assistance Program s represent services that are approved by the Centers for Medicare and Medicaid Services (CMS) and services that may be provided by an enrolled Colorado Medical Assistance Program provider.

The Healthcare Common Procedural Coding System (HCPCS) is divided into two principal subsystems, referred to as level I and level II of the HCPCS. Level I of the HCPCS is comprised of CPT (Current Procedural Terminology), a numeric coding system maintained by the American Medical Association (AMA). The CPT is a uniform coding system consisting of descriptive terms and identifying codes that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not included in the CPT codes, such as ambulance services and durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) when used outside a physician's office. Level II codes are also referred to as alpha-numeric codes because they consist of a single alphabetical letter followed by 4 numeric digits, while CPT codes are identified using 5 numeric digits.

HIPAA requires providers to comply with the coding guidelines of the AMA CPT Procedure Codes and the International Classification of Disease, Clinical Modification Diagnosis Codes. If there is no time designated in the official descriptor, the code represents one unit or session. Providers should regularly consult monthly bulletins located in the Provider Services Bulletins section. To receive electronic provider bulletin notifications, an email address can be entered into the Web Portal in the *(MMIS) Provider Data*

Maintenance area or by filling out a publication preference form. Bulletins include updates on approved procedure codes as well as the maximum allowable units billed per procedure.

General Benefit Policies

Payment for Covered Services

Regardless of whether Colorado Medicaid has actually reimbursed the provider, billing members for covered services is strictly prohibited. Balance billing is prohibited. If reimbursement is made, providers must accept this payment as *payment in full* (see Program Rule 8.012). The provider may only bill the member for services not covered by Colorado Medicaid.

- Members may be billed for non-covered services in accordance with C.R.S. 25.5-4-301(1)(a)(I).
    - *(1) (a) (I) Except as provided in section 25.5-4-302 and subparagraph (III) of this paragraph (a), no recipient or estate of the recipient shall be liable for the cost or the cost remaining after payment by medicaid, medicare, or a private insurer of medical benefits authorized by Title XIX of the social security act, by this title, or by rules promulgated by the state board, which benefits are rendered to the recipient by a provider of medical services authorized to render such service in the state of Colorado, except those contributions required pursuant to section 25.5-4-209 (1). However, a recipient may enter into a documented agreement with a provider under which the recipient agrees to pay for items or services that are nonreimbursable under the medical assistance program. Under these circumstances, a recipient is liable for the cost of such services and items.*

- If Prior Authorization Requests (PAR) for services are required, the following policy applies:
    - Technical/lack of information (LOI) denial does not mean those services are not covered. Members may not be billed for services denied for LOI.
    - Services partially approved are still considered covered services. Members may not be billed for the denied portion of the request.
    - Services totally denied for not meeting medical necessity criteria are considered non-covered services.

- Members that reach the initial 24 unit limit for physical and occupational therapy (PT/OT) require a PAR to obtain further coverage. Refusal, failure, or negligence by the provider to request a PAR for services beyond the first 24 units of PT/OT does not mean that those further services are non-covered. Members may not be billed for services which were denied reimbursement on the grounds of requiring a PAR (provider claim message 1085 and 1095).

Medically Necessary

Physical and Occupational Therapy services must be medically necessary to qualify for Medicaid reimbursement. Medical necessity, as defined under program rule 8.200.1, physician services, means:

> *A covered service that will, or is reasonably expected to prevent, diagnose, cure, correct, reduce or ameliorate the pain and suffering, or the physical, mental, cognitive or developmental effects of an illness, injury or disability; and for which there is no other equally effective or substantially less costly course of treatment suitable for the member's needs.*

Referrals/Prescriptions/Orders

All PT/OT services must have a written referral/prescription/order by any of the following:

- Physician (M.D. or D.O.)
- Physician's assistant
- Nurse practitioner

- Individualized Family Service Plan (IFSP) for Early Intervention PT/OT

Non-Covered Services

- Educational, personal need, and comfort therapies are not covered benefits of fee-for-service for any member regardless of age
- Duplicated services (in general, and those overlapped between PTs and OTs)
- Art and craft activities for the purpose of recreation
- Hippotherapy/equine therapy
- Vocational or educational services

Billing Edits

The provider's adherence to the application of policies in this manual is monitored through either post-payment review of claims by the Department, or computer audits or edits of claims. When computer audits or edits fail to function properly, the application of policies in this manual remain in effect. Therefore, all claims shall be subject to review by the Department.

Habilitative Therapy

The Colorado Division of Insurance defined Habilitative services as:

> *Services that help a person retain, learn, or improve skills and functioning for daily living that are offered in parity with, and in addition to, any rehabilitative services offered in Colorado's Essential Health Benefits (EHB) benchmark plan. Parity in this context means of like type and substantially equivalent in scope, amount, and duration.*

Therefore, Habilitative therapy is a covered physical, occupational, and speech therapy benefit for only Medicaid expansion members ages 19 through 64 who receive benefits through the Alternative Benefits Plan (ABP).

When running a member's ID through the provider web portal for member eligibility checks, expansion members will have the eligibility response message "this EXPANSION MEMBER receives the ACA ADULT MEDICAID BENEFIT PLAN." Eligible members may receive outpatient PT, OT, and ST for the purpose of habilitation **in addition to** rehabilitation.

Additional Notes

- Habilitative therapies are not an Inpatient or Home Health benefit.
- Habilitative therapies are not a benefit if provided in nursing facilities; Rehabilitative PT, OT, ST remain so.
- Habilitative therapies are not to be confused with Habilitation services found within Home and Community Based Services (HCBS) waivers.

Assistive Technology Assessments

The following billing policies are effective for CPT procedure code 97755 to accommodate HB14-1211. HB14-1211 requires that all Medicaid members seeking complex rehabilitation technology must have an initial Assistive Technology Assessment (complex rehabilitative technology evaluation/assessment) prior to receiving complex rehabilitation technology, and follow-up assessments, as needed. Only qualified health care professionals, including but not limited to licensed physical and occupational therapists, may provide these types of specialty evaluations.

All providers using procedure code 97755 must follow these guidelines. The Department recognizes that only a portion of Assistive Technology Assessments will be used for complex rehabilitation technology evaluation/assessment.

Policy	Notes
Complex rehabilitation technology evaluations / assessments are billed using **only** 97755.	Combinations of procedure codes, including procedure code 97542, for the purposes of complex rehabilitation technology evaluation / assessment are not allowed.
97755 always requires a Prior Authorization Request (PAR).	PARs must be submitted electronically using ColoradoPAR via CWQI. Details are found here.
Member daily limit of 97755 is 20 units.	Up to five hours of assessment is allowed per date of service.
Member yearly limit of 97755 is 60 units.	Members may have up to 60 units of procedure code 97755 per State Fiscal Year (July 1 – June 30). This limit will reset with the start of each new State Fiscal Year.

PARs for 97755 must comply with the following policies:

- Must have a current prescription/referral for an Assistive Technology Assessment from the member's primary care physician.
- May indicate up to one year duration.
- May indicate initial/new assessments or follow-up assessment visits.
- Only one active PAR for 97755 is allowed per member, per span of time. Overlapping 97755 PAR requests will be denied.
- Initial PT/OT evaluation services, such as 97001, are not required prior to requesting 97755.
- 97755 is **separate** from PT/OT and is not part of the PT/OT benefit limitation.
- PARs for 97755 should be submitted independently from other services. The Medical PAR type should be selected for 97755 in CWQI.

If a member requires further assessment by a different provider not indicated on the original PAR, and that PAR is still active, then it must be closed by the original requesting provider. Once closed a new PAR can be submitted. Members may request a 'change of provider' on their PAR by contacting the vender directly. Please see the Prior Authorization Request section of this manual.

Benefit Limitations

Members may receive up to 24 units of Rehabilitative PT and up to 24 units of Rehabilitative OT per 12 month period before a Prior Authorization Request (PAR) is required, **and** up to 24 units of Habilitative PT and up to 24 units of Habilitative OT per 12 month period with a PAR submitted in advance of rendering any Habilitative services. Units of service exceeding the initial 24 units for each therapy type will not be reimbursed without an approved PAR. Please refer to the below table.

Benefit	Rehabilitative Limit	Habilitative Limit
Physical Therapy	24 units of PT and 24 units of OT per 12 months.	24 units of PT and 24 units of OT per 12 months.
Occupational Therapy	5 units of either PT *or* OT per date of service.	5 units of either PT *or* OT per date of service.

PAR Requirement	Required for PT and OT.	Required for PT, OT, and ST.

Members are eligible for another 24 units of service without a PAR when they have not received any PT or OT services within a 366 consecutive day period. The 24 units accumulate from paid units for a specific member, regardless of provider, for each treatment modality. A unit equals 1) a timed increment or 2) one treatment session as described in the specific CPT procedure codes.

Daily Limits and Coding Modifiers

A daily limit of five units of therapy services is allowed for PT/OT, whether it is Rehabilitative or Habilitative. All PT/OT PARs and claims must have the correct modifiers attached. Correct modifier use indicates the precise nature of the procedure being rendered and is mandatory.

- All PT claims must have modifier 'GP' attached to each procedure code line.
- All OT claims must have the modifier 'GO' attached to each procedure code line.
- All Habilitative PT/OT claims must have the second modifier "HB" attached in addition to "GP" or "GO" to each procedure code line.
- All Early Intervention PT/OT claims must have the second modifier "TL" attached in addition to "GP" or "GO" to each procedure code line.

Benefit	Rehabilitative Modifiers	Habilitative Modifiers
Physical Therapy	GP	GP + HB
Occupational Therapy	GO	GO + HB
Early Intervention PT	GP + TL	-
Early Intervention OT	GO + TL	-

National Correct Coding Initiative (NCCI)

National Correct Coding Initiative Procedure-To-Procedure (PTP) and Medically Unlikely Edits (MUE) edits apply to certain combinations of PT and OT procedure codes. Please refer to the Medicaid.gov website for NCCI edits, for a complete list of impacted codes, guidance on bypass modifier use, and general information.

Prior Authorization Requests (PARs)

Independent Physical and Occupational Therapists and hospital based therapy clinics providing outpatient therapy services must submit PARs for medically necessary services when:

- The member has exceeded 24 units of service provided by a PT, or
- The member has exceeded 24 units of service provided by an OT.
- When Habilitative PT/OT is being sought a PAR must always be submitted.

PARs are approved for up to a twelve (12) month period (depending on medical necessity determined by the reviewer).

- Retroactive PAR request forms will not be accepted.
- Overlapping PAR request dates for same provider types will not be accepted, with the exception of Early Intervention PAR requests which may have overlapping dates of service and multiple provider types.. All Early Intervention PT/OT PARs must additionally indicate that the member has an Individual Family Service Plan (IFSP) and that it is current and approved.

- Incomplete, incorrect or insufficient member information on a PAR request form will not be accepted.

Submit PARs for the number of units for each specific procedure code requested, not for the number of services. Modifier codes must be included. The same modifiers used on the PAR must be used on the claim, in the same order.

- When submitting Rehabilitative Therapy PARs, and subsequent claims, CPT codes for PT services must have the GP modifier (e.g. 97001+GP). CPT codes for OT services must have the GO modifier (e.g. 97003+GO).
- When submitting Habilitative Therapy PARs, and subsequent claims, CPT codes for PT services must have the GP modifier and HB modifier (e.g. 97001+GP+HB). CPT codes for OT services must have the GO modifier and HB modifier (e.g. 97003+GO+HB).

Additional Limitations:

- Members may receive PT and OT services during the same time period and service dates. However, duplicative therapies (the same therapy performed by both an OT and PT) may not be performed on the same DOS.
- Members may not receive both Rehabilitative and Habilitative therapies of the same type (e.g. Rehabilitative PT and Habilitative PT) on the same DOS.
- Members may have <u>one</u> active PAR for each type of therapy (Rehabilitative PT, Rehabilitative OT, Habilitative PT, Habilitative OT) with independent time spans. Early Intervention PARs are excluded from this requirement.

PAR Requirements:

- Legibly written and signed ordering practitioner prescription, to include diagnosis (preferably with ICD-9 code) and reason for therapy, the number of requested therapy sessions per week and total duration of therapy.
- The member's Physical or Occupational treatment history, including current assessment and treatment. Include duration of previous treatment and treating diagnosis.
- Documentation indicating if the member has received PT or OT under the Home Health Program or inpatient hospital treatment.
- Current treatment diagnosis.
- Course of treatment, measurable goals and reasonable expectation of completed treatment.
- Documentation supporting medical (physical NOT developmental) necessity for the course and duration of treatment being requested.
- Assessment or progress notes submitted for documentation, must not be more than sixty (60) days prior to submission of PAR request.
- If the PAR is submitted for services delivered by an independent therapist, the name and address of the individual therapist providing the treatment must be present in field #24 of the PAR.
- The billing provider name and address needs to be present in field #25 on the PAR.
- The Colorado Medical Assistance Program provider number of the independent therapist must be present in PAR field #28.
- The billing provider's Colorado Medical Assistance Program number must be present in field #29 of the PAR.
- Early Intervention PT/OT PARs must additionally indicate that the member has an Individual Family Service Plan (IFSP) and that it is current and approved.
- DME products **cannot** be requested on the same PAR as therapy services.

The authorizing agency reviews all completed PARs and approves or denies, by individual line item, each requested service or supply listed on the PAR. PAR status inquiries can be made through the Web Portal and results are included in PAR letters sent to both the provider and the member. **Read the results carefully as some line items may be approved and others denied. Do not render or bill for services until the PAR has been processed.**

The claim must contain the PAR number for reimbursement.

Approval of a PAR does not guarantee Colorado Medical Assistance Program reimbursement and does not serve as a timely filing waiver. Prior authorization only assures that the service is considered a benefit of the Colorado Medical Assistance Program. All claims, including those for prior authorized services, must meet eligibility and claim submission requirements (e.g. timely filing, third party resources payment pursued, required attachments included, etc.) before reimbursement can be made.

If the PAR is denied, providers should direct inquiries to the authorizing agency:

UB-04 Paper Claim Reference Table

PT and OT outpatient hospital paper claims must be submitted on the UB-04 claim form.

The information in the following Paper Claim Reference Table lists the required, optional and/or conditional form locators for submitting the UB-04 paper claim form to the Colorado Medical Assistance Program for PT and OT services. It also provides instructions for completing Form Locators (FL) as they appear on the paper UB-04 claim form. Instructions for completing the UB-04 claim form are based on the current *National Uniform Billing Committee (NUBC) UB-04 Reference Manual*. Unless otherwise

noted, all data FLs on the UB-04 have the same attributes (specifications) for the Colorado Medical Assistance Program as those indicated in the *NUBC UB-04 Reference Manual*.

All code values listed in the *NUBC UB-04 Reference Manual* for each FL **may not** be used for submitting paper claims to the Colorado Medical Assistance Program. The appropriate code values listed in this manual must be used when billing the Colorado Medical Assistance Program.

The UB-04 certification must be completed and attached to all claims submitted on the UB-04 paper claim form. A copy of the certification form is included with this manual. Completed UB-04 paper Colorado Medical Assistance Program claims, including hardcopy Medicare claims, should be mailed to the correct fiscal agent address located in Appendix A of the Appendices section in Provider Services Billing Manuals.

Do not submit "continuation" claims. Each claim form has a set number of billing lines available for completion. Do not crowd more lines on the form. Billing lines in excess of the designated number are not processed or acknowledged. Claims with more than one page may be submitted electronically.

Late Bill Override Date

For electronic claims, a delay reason code must be selected and a date must be noted in the "Claim Notes/LBOD" field.

Valid Delay Reason Codes

1 Proof of Eligibility Unknown or Unavailable

3 Authorization Delays

7 Third Party Processing Delay

8 Delay in Eligibility Determination

9 Original Claim Rejected or Denied Due to a Reason Unrelated to the Billing Limitation Rules

11 Other

The Late Bill Override Date (LBOD) allows providers to document compliance with timely filing requirements when the initial timely filing period has expired. Colorado Medical Assistance Program providers have 120 days from the date of service to submit their claim. For information on the 60-day resubmission rule for denied/rejected claims, please see the General Provider Information manual in the Provider Services Billing Manuals section.

Making false statements about timely filing compliance is a misrepresentation and falsification that, upon conviction, makes the individual who prepares the claim and the enrolled provider subject to fine and imprisonment under state and/or federal law.

Billing Instruction Detail	Instructions
LBOD Completion Requirements	• Electronic claim formats provide specific fields for documenting the LBOD. • Supporting documentation must be kept on file for 6 years. • For paper claims, follow the instructions appropriate for the claim form you are using. ➢ *UB-04*: Occurrence code 53 and the date are required in FL 31-34. ➢ *CMS 1500*: Indicate "LBOD" and the date in box 19 – Additional Claim Information. ➢ *2006 ADA Dental*: Indicate "LBOD" and the date in box 35 - Remarks
Adjusting Paid Claims	If the initial timely filing period has expired and a previously submitted claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was paid and now needs to be adjusted, resulting in additional payment to the provider. **Adjust the claim within 60 days** of the claim payment. Retain all documents that prove compliance with timely filing requirements. *Note: There is no time limit for providers to adjust paid claims that would result in repayment to the Colorado Medical Assistance Program.*

Billing Instruction Detail	Instructions
	LBOD = the run date of the Colorado Medical Assistance Program Provider Claim Report showing the payment.
Denied Paper Claims	If the initial timely filing period has expired and a previously submitted paper claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was denied. **Correct the claim errors and refile within 60 days** of the claim denial or rejection. Retain all documents that prove compliance with timely filing requirements. **LBOD** = the run date of the Colorado Medical Assistance Program Provider Claim Report showing the denial.
Returned Paper Claims	A previously submitted paper claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was returned for additional information. **Correct the claim errors and re-file within 60 days** of the date stamped on the returned claim. Retain a copy of the returned claim that shows the receipt or return date stamped by the fiscal agent. **LBOD** = the stamped fiscal agent date on the returned claim.
Rejected Electronic Claims	An electronic claim that was previously entered within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was rejected and information needed to submit the claim was not available to refile at the time of the rejection. **Correct claim errors and refile within 60 days** of the rejection. Maintain a printed copy of the rejection notice that identifies the claim and date of rejection. **LBOD** = the date shown on the claim rejection report.
Denied/Rejected Due to Client Eligibility	An electronic eligibility verification response processed during the original Colorado Medical Assistance Program timely filing period states that the individual was not eligible but you were subsequently able to verify eligibility. Read also instructions for retroactive eligibility. **File the claim within 60 days** of the date of the rejected eligibility verification response. Retain a printed copy of the rejection notice that identifies the client and date of eligibility rejection. **LBOD** = the date shown on the eligibility rejection report.
Retroactive Client Eligibility	The claim is for services provided to an individual whose Colorado Medical Assistance Program eligibility was backdated or made retroactive. File the claim within 120 days of the date that the individual's eligibility information appeared on state eligibility files. Obtain and maintain a letter or form from the county departments of social services that: • Identifies the patient by name

Billing Instruction Detail	Instructions
	• States that eligibility was backdated or retroactive • Identifies the date that eligibility was added to the state eligibility system. **LBOD** = the date shown on the county letter that eligibility was added to or first appeared on the state eligibility system.
Delayed Notification of Eligibility	The provider was unable to determine that the patient had Colorado Medical Assistance Program coverage until after the timely filing period expired. **File the claim within 60 days** of the date of notification that the individual had Colorado Medical Assistance Program coverage. Retain correspondence, phone logs, or a signed Delayed Eligibility Certification form (see Certification & Request for Timely Filing Extension in the Provider Services Forms section) that identifies the client, indicates the effort made to identify eligibility, and shows the date of eligibility notification. • Claims must be filed within 365 days of the date of service. No exceptions are allowed. • This extension is available only if the provider had no way of knowing that the individual had Colorado Medical Assistance Program coverage. • Providers who render services in a hospital or nursing facility are expected to get benefit coverage information from the institution. • The extension does not give additional time to obtain Colorado Medical Assistance Program billing information. • If the provider has previously submitted claims for the member, it is improper to claim that eligibility notification was delayed. **LBOD** = the date the provider was advised the individual had Colorado Medical Assistance Program benefits.
Electronic Medicare Crossover Claims	An electronic claim is being submitted for Medicare crossover benefits within 120 days of the date of Medicare processing/ payment. (Note: On the paper claim form (only), the Medicare SPR/ERA date field documents crossover timely filing and completion of the LBOD is not required.) **File the claim within 120 days** of the Medicare processing/ payment date shown on the SPR/ERA. Maintain the original SPR/ERA on file. **LBOD** = the Medicare processing date shown on the SPR/ERA.
Medicare Denied Services	The claim is for Medicare denied services (Medicare non-benefit services, benefits exhausted services, or the member does not have Medicare coverage) being submitted within 60 days of the date of Medicare processing/denial. *Note: This becomes a regular Colorado Medical Assistance Program claim, not a Medicare crossover claim.*

Billing Instruction Detail	Instructions
	File the claim within 60 days of the Medicare processing date shown on the SPR/ERA. Attach a copy of the SPR/ERA if submitting a paper claim and maintain the original SPR/ERA on file. **LBOD** = the Medicare processing date shown on the SPR/ERA.
Commercial Insurance Processing	The claim has been paid or denied by commercial insurance. **File the claim within 60 days** of the insurance payment or denial. Retain the commercial insurance payment or denial notice that identifies the patient, rendered services, and shows the payment or denial date. Claims must be filed within 365 days of the date of service. No exceptions are allowed. If the claim is nearing the 365-day limit and the commercial insurance company has not completed processing, file the claim, receive a denial or rejection, and continue filing in compliance with the 60-day rule until insurance processing information is available. **LBOD** = the date commercial insurance paid or denied.
Correspondence LBOD Authorization	The claim is being submitted in accordance with instructions (authorization) from the Colorado Medical Assistance Program for a 60 day filing extension for a specific member, claim, services, or circumstances. **File the claim within 60 days** of the date on the authorization letter. Retain the authorization letter. **LBOD** = the date on the authorization letter.
Member Changes Providers during Obstetrical Care	The claim is for obstetrical care where the patient transferred to another provider for continuation of OB care. The prenatal visits must be billed using individual visit codes but the service dates are outside the initial timely filing period. **File the claim within 60 days** of the last OB visit. Maintain information in the medical record showing the date of the last prenatal visit and a notation that the patient transferred to another provider for continuation of OB care. **LBOD** = the last date of OB care by the billing provider.
